

Club SAKE Training Subsidy Request

Club SAKE has budgeted a limited annual fund to assist club members with expenses for training to further their dragon boating skill set in ways that benefit the club. The funding will be disbursed directly to the recipient, and is for tuition only. It includes, but is not limited to, steering classes, caller classes, and coaching classes. Assistance is limited to one request per year per member, for grants up to 50% of tuition, as funding allows.

Please complete this form and send to your coach, who will notify the Board with their recommendation.

Date: _____ Amount Requested: _____

Name of Applicant _____

Name of Recipient (if not Applicant) _____

Email: _____

Briefly describe the training to be subsidized. Give a website link if available:

Please describe how this training will forward your dragon boating goals, and how you will apply your learning to benefit the club:

Please briefly describe your club history, including any service you have given to the club:
